Dear [REDACTED]

STATUTORY ENDORSEMENT REFERRAL OF VARIATION WA1336

Thank you for referring this work plan to Heritage Victoria.

Our records indicate that there are no places currently included in the Victorian Heritage Register (VHR) or Heritage Inventory (HI) within the subject area.

Heritage Victoria does not object to statutory endorsement of the variation to the approved work plan.

Please note the HI is not a comprehensive list of all historical archaeological sites in the state. The absence of sites in the HI is not necessarily reflective of the distribution of archaeological sites on the ground, and the *Heritage Act 2017* provides blanket protection for all historical archaeological sites in Victoria. If archaeological deposits are identified at any stage during works, this office must be notified immediately. Please be aware that consent from this office is required for any works that will impact on any historical archaeological sites.

Should you have any queries, please contact [REDACTED] or [REDACTED] at Heritage Victoria on [REDACTED] or email [REDACTED]

Yours sincerely
